World Health
Organization

Protect others from getting sick

Avoid close contact when you are experiencing cough and fever

Avoid spitting in public

If you have fever, cough and difficulty breathing **seek medical care early** and share previous travel history with your health care provider

World Health
Organization

Practise food safety

Use different **chopping boards and knives** for raw meat and cooked foods

Wash your hands between handling raw and cooked food.

World Health
Organization

Practise food safety

Sick animals and
animals that
have died of
diseases **should
not be eaten**

Practise food safety

Even in **areas**
experiencing outbreaks,
meat products can be
safely consumed if these
items are **cooked**
thoroughly and
properly handled during
food preparation.
