

Presentation and discussion:
**Financial Protection in the
Czech Republic**

18 May 2026, 10:30

III Auditorium, Medical University - Varna, Rectorate

PRESENTED BY

DANIELA KANDILAKI, ENG., PHD.

**ASSISTANT PROFESSOR, FACULTY OF MANAGEMENT,
PRAGUE UNIVERSITY OF ECONOMICS AND BUSINESS**

Daniela Kandilaki is an Assistant Professor at the Faculty of Management of the Prague University of Economics and Business, where she teaches Healthcare Management and Technical and Strategic Tools in Healthcare. Her research focuses on financial protection in healthcare, health system performance and the use of strategic instruments in healthcare organisations.

She is the author of the monograph *Can People Afford to Pay for Health Care? New Evidence on Financial Protection in Czechia* and is currently working on a habilitation thesis on financial protection in the Czech healthcare system. Daniela Kandilaki is actively involved in national and international projects, including DIGI4care and HAI-SO, and contributes to linking research, policy and practice in health care.

The lecture will be delivered in English.

**Open to students, PhD students, academic staff and
all interested in health systems and health policy.**

The lecturer's visit is funded by the Erasmus+ mobility program.
