

Project: “Enyovden - Health and Cultural Traditions”

Програма: Fund "Culture" - Municipality Varna

Year of implementation: 2019

Aim of the project:

The project „Enyovden - Health and Cultural Traditions“ aims to create a multicultural celebration at the Museum of History of Medicine, through which the knowledge about different types of herbs on the North Black Sea, their preservation, use and impact on health is conveyed.

Project event in the Museum of the History of Medicine (24.06.2019 г.)
