

TO A SCIENTIFIC JURY
ACCORDING TO AN ANNOUNCED COMPETITION DOCENT,
ESTABLISHED BY ORDER No. R-109-105/29.01.2025
TO THE RECTOR OF MU VARNA

S T A T E M E N T

BY PROF. Dr. VILIAN PLATIKANOV, MD, PhD
DPT of A and ICM - MU VARNA

Regarding: procedure for occupying an academic position "associate professor" in the specialty "Anesthesiology and intensive care" at the Medical University of Varna, according to a competition announced in State Gazette no. 101 of 29.11.2024

A only candidate: Dr. Petya Marincheva Ivanova, MD, PhD

Dear colleagues,

I was presented with documents for the preparation of an "STATEMENT" regarding the procedure for occupying the academic position of "ASSOCIATE PROFESSOR" in the specialty "Anesthesiology and intensive care" at Dpt Anesthesiology and ICM at the MF - MU Varna

The documents meet the requirements and provide enough necessary information for the analytical preparation of a conclusion in connection with the candidate's participation in the competition.

Education and work experience

She has additional training through multiple courses in various areas of anesthesiology and critical care medicine.

- Course 16-17.05.2023, Aalst- Belgium "Anesthesia Academy Low Flow Anesthesia"
- VI National Conference on Pain Research and Treatment with international participation. 31.05.-02.06.2012, Hisarya, Bulgaria
- Conference "Septic Conditions and Intensive Care", 26-28.04.2024, Sofia, Bulgaria. Panagyurishte.
- Course "Extrarenal blood purification - therapeutic apheresis and renal replacement therapy.
- 19th National Congress of Anaesthesiology and Intensive Care with international participation 22-25.10.2015.
- "Pedagogical qualification of trainers from medical institutions" 27.12.2012-28.12.2012.
- 35th Annual ESRA Congress, Maastricht, The Netherlands 7-10 September 2016.
- 31st Annual ESRA Congress 2012, Bordeaux, France, 58 September, 2012
- 32nd Annual ESRA Congress 2013, Glasgow, UK, 11-14.09 September, 2013

Since 2009 and currently she is training medical students, graduate students, medical professionals. Currently is also a senior assistant professor at MU Varna. Fluent in English - level B2 and German-level A2. Has good communication skills and computer literacy.

Science metrics

Total number of actual publications - I assume a total of 23, distributed as follows:
- 1 habilitation thesis in the form of a monograph, entitled "Sepsis. Biomarkers in sepsis."

-Dissertation and abstract
- 20 articles, published in full text, in refereed journals according to official data. Of these 20 articles, 10 are written in English.

The academic scientometric transcript assigns 212.68 points to the candidate. Official information on 4 citations of scientific production obtained from NACID is available in the documents.

Teaching and learning activities

Demonstrated are active participation in teaching undergraduate, graduate and intern physicians, which ranges between 156 and 218 hours per year, in the last few academic years, pertaining to teaching medical and dental students at BEE and AEO.

Diagnostic and therapeutic activities

Dr. Petya Ivanova is a reference practitioner and researcher in the field of anaesthesiology and intensive care medicine, to whom all turn for consultations and practical activity. She is a good and competent leader of the structure she manages, in outpatient, clinical-practical and scientific terms.

RECAP

In accordance with the law of the Republic of Bulgaria and the PRAS of MU Varna, I can make the following summary of the documentation submitted to me: Considering all the submitted information data, the accumulated scientific-metric points of the candidate are sufficient to determine my positive opinion on the competition.

CONCLUSION

The submitted documents comply with all the requirements of the PRAS of MU Varna, and the information in them speaks convincingly in favour of the candidate. Therefore, I confidently propose the Scientific Jury to award the academic position of

“Associate Professor” to Dr. Petya Marincheva Ivanova, Ph.
