

UNIVERSITY HOSPITAL  
"ST. MARINA" - VARNA

Once again, the sea capital of Varna will host an international scientific event dedicated to health care. The role of healthcare for quality healthcare is growing worldwide. The need for knowledgeable and capable professionals is also growing daily. The opinion and advice of experienced health care professionals is crucial to advancing research and development in this area.

All this has given us the confidence and faith to look for the best among all to share their experience and good practice and together, today, to take a step forward for better healthcare tomorrow.

The Department of Nursing Care at the Faculty of Public Health  
of Medical University „Prof. Dr. Paraskev Stoyanov“ – Varna (Bulgaria)

together with

University Hospital “Saint Marina” – Varna

and Hamidiye Faculty of Nursing at the University of Health Sciences, Istanbul (Turkey)

are looking forward to welcoming you at:

### Fourth International Conference

## HEALTH CARE - A CONTRIBUTION TO THE QUALITY OF LIFE

June 9-10, 2023

The scientific event aims to present current problems in the field of health care and the training of students in the field, as well as to contribute to the exchange of information and experience in modern medical practice in the following thematic areas:

- Good practices in health care
- Research in health care
- Patient safety
- History and development of the medical profession
- Training of health care professionals
- Global climate crisis and nursing
