

## STANDPOINT

**From Assoc. Prof. Mariela Radoslavova Filipova, Ph.D.**

**Department of Kinesitherapy,  
Faculty of Public Health, Health Care and Sports, SWU "Neofit Rilski"  
Blagoevgrad, elected a member of the Scientific Jury by decision of the Faculty  
Council (Protocol № 170/ 10.09.2021) and approved by Order № R -109-394/  
20.09.2021 of the Rector of Medical university-Varna**

on the materials submitted for participation in a competition for the academic position of *"Associate Professor"* in the Department of Physiotherapy, Rehabilitation, Sea Treatment and Occupational Diseases at the Faculty of Public Health, MU-Varna "Prof. Dr. Paraskev Stoyanov", in the field of higher education 7. Healthcare and sports, professional field 7.4. Public Health, specialty "Kinesitherapy", announced by MU-Varna, promulgated in State newspaper No. 61/23.07.2021JI

### **I. Summary data on the scientific production and the activity of the candidate:**

The only candidate in the competition is Stanislava Martinova Bogomilova, Ph.D. The procedure complies with all the requirements of the Law for the Development of the Academic Staff in the Republic of Bulgaria (law for the development of the academic staff), the Regulations for its implementation and the Regulations for the Development of the Academic Staff at the Medical University of Varna.

In this competition Dr. Stanislava Bogomilova participates with the following scientific developments:

- Dissertation work for acquiring doctoral and scientific degree "Doctor" - 50 points
- 1 monograph: (Aesthetic kinesitherapy, with a volume of 133 pages - ISBN 978-619-221-344-2) - 100 points.
- scientific publications in peer-reviewed journals and collections - 12 (five of which are scientific publications in the Web of science and Scopus) - 202 points.
- 7 citations in scientific journals - 60 points.

### **II. Evaluation of the scientific and practical results and contributions of the creative production presented for participation in the competition:**

The scientific production of Ch. Assistant Professor Dr. Stanislava Bogomilova shows her continuous growth as an academic person and researcher. Her creative activity

as a teacher and researcher is logically related to her desire to expand her professional needs and improve her skills.

All works reflect her practical experience in the field of kinesitherapy. I will consider the most significant moments and achievements in her professional and academic development:

1. Stanislava Bogomilova is a specialist in the field of orthopedic kinesitherapy and neurorehabilitation. He also conducts numerous experimental studies in the field of aesthetic and post-surgical kinesitherapy.

2. Her research interests are demonstrated in the various issues of her scientific production. A reference for 7 pcs. positive citations in foreign and Bulgarian referenced publications.

3. She has 12 years of experience in the field of kinesitherapy with extensive clinical experience and 7 years of teaching. He teaches 3 subjects for Bachelor's degree, specialty "Kinesitherapy".

4. Participates in 16 scientific conferences, some of which, with international participation.

The submitted materials for review fully cover the criteria for holding the academic position of "Associate Professor".

**Conclusion:**

Based on the above and taking into account the requirements of Law on the Development of the Academic staff, the candidate meets the minimum national requirements of Law on development of the academic staff of the Republic of Bulgaria (available 412 points), the Rules for its implementation and the Rules for the development of the academic staff at MU-Varna. There is no plagiarism.

I am confidently giving my positive assessment and I suggest to the respected members of the Scientific Jury to award Dr. Stanislava Bogomilova the academic position "ASSOCIATE PROFESSOR" in the field of higher education 7. Health and Sports, professional field 7.4. Public Health for the needs of the Department of Physiotherapy, Rehabilitation, Sea Treatment and Occupational Diseases at the Faculty of Public Health, MU-Varna.

I am voting in the affirmative!
