

To the Chairman of the Scientific
Committee, determined by order No. P-
109-141/23.02-2023 of the Rector of
the University of Varna

REPORT

From : Assoc. Prof. Nikolay Velinov MD, PhD - Head Dept. Neurosurgery
for Adults in Clinics for Neurosurgery UMHATEM N.I.Pirogov.

In regard to: Contest for an Academic post "Assoc.Prof. in Neurosurgery"
Medical University of Varna

Dear Chair and members of the scientific committee, the documents of
Dr.Iliev are submitted in the legally defined term and time. For this report,
I have been provided with a set of documents both on paper and in digital
version. The presented documents fulfill the requirements for the
candidate to apply and participate in this contest. I have prepared my
report in accordance with the internal regulations and academic criteria of
the Medical University of Varna.

1. General data about the applicant

Dr. Bogomil Petkov Iliev was born on the 11.06.1984, and started
working as a doctor in a specialized pediatric hospital "Dr. Lisichkova"
EOOD, Varna 2010-2011. From 2011 and at present he is working in the
Dept. of Neurosurgery in UMBAL "St. Marina", city of Varna; from 2014 he
is an Assistant in the Department of Neurosurgery and ENT Diseases,
Department of Neurosurgery at the Medical University of Varna. From

2018 the candidate is a head assistant in the Department of "Neurosurgery and ENT Diseases" at the Medical University of Varna and at present; From 2019 - he is also working in the Ambulatory Diagnostic and Clinic Center "Sveta Marina" Varna.

2. Scientific activities

a) actual publications:

- articles published in non-refereed peer-reviewed journals or published in edited collective volumes - 16

- articles published in refereed and indexed scientific publications, in world-renowned databases with scientific information. scientific collections of scientific units or reports of scientific events, issued in full text with bibliography and abstract in English - 14

b) Monography – “Current concepts and operative trends in chronic subdural hematomas”

c) Dissertation – “Endoscope - assisted evacuation of intracerebral hematomas”.

3. Conclusion

The candidate fulfills the scientific requirements for acquiring the academic position "Associate Professor". Area 7. Health and sports. Total number of points 208.46 (minimum requirement - two hundred points and four citations). The applicant provides even one additional publication published in a scientific journal/proceedings beyond the necessary established requirements.

I express my positive opinion for the candidate Dr. Bogomil Petkov Iliev to acquire the academic position "Asoc.Professor" in the specialty of Neurosurgery.

Sincerely yours

Sofia
