

Prof. Dr. Cem Uzun – Short CV (February 2020)

Trakya University, Edirne, Turkey

[cemuzun@yahoo.com](mailto:cemuzun@yahoo.com)

Cem Uzun is Professor of Otorhinolaryngology, Head and Neck Surgery at Trakya University Faculty of Medicine, Edirne, Turkey. He worked at the same department as a resident (1991-1995), specialist (1995-1997), assistant professor (1997-2000), associate professor (2000-January 2006) and full professor since January 2006. He was the General Secretary (2016-2018) and Pro-Rector of the Trakya University (2016-2019), where his responsibilities included university publications, ethics, library, and the Balkan Universities Association - of which his university is the founder and permanent general secretary.

Cem Uzun is also the Founder and Chairman of the Mirko Tos Ear and Hearing Research Center (since January 2019). He is the General Secretary of the Balkan Society of Otolaryngology Head-Neck Surgery (BSOHNS). He is the founder of the Trakya Society of ORL & HNS. He served as the Delegate of the European Union of Medical Specialists (UEMS) ORL Section (2012-2019).

Cem Uzun was elected as a Council Member of European Association of Science Editors (EASE) for the term of 2018-2021 and as a Science Committee Member of the Scientific and Technological Research Council of Turkey (TUBITAK) ULAKBIM TR Index in 2018. He is also the Chairman of the EASE Turkish Chapter. He was the previous Editor in Chief (2012-2016), Co-Editor (2004-2008) and the Editor at Large of the Balkan Medical Journal (2016-2018), which is the only journal from medical schools in Turkey indexed in SCIE and PubMed Medline. Cem has organized many workshops, symposiums and conferences on otorhinolaryngology, otology, audiology, scientific writing, editing, journal management and publication ethics.

Cem Uzun is the author of more than 100 articles in otorhinolaryngology. He also has several papers and presentations on science publishing related subjects. His papers received more than 500 citations at international journals. His H-Index is 13. He received “Outstanding Young Faculty Award”, “Science Award” and “Researcher of the Year Award” in Turkey, and has been awarded “Goodwill Ambassador to the Academy from Turkey and the Balkans” by the American Academy of Otolaryngology - Head and Neck Surgery. He worked as a postdoc scholar at the University of Copenhagen with Danish Government scholarship and at Miami Ear Institute of the University of Miami with Fulbright scholarship.
